

Minnesota K-12 Education Deduction and Credit

- * Complete each topic for K-12 expenses incurred for each of your children. College related expenses do not qualify.
- * The State of Minnesota has provided the lists you see on the previous page. These are the specific items which are and are not eligible for subtraction and/or tax credit.
- * If you incurred an expense which is not listed on the previous page, you must call the State of Minnesota (800-652-9094) for a ruling.

- * Be sure you are able to substantiate all expenses claimed with receipts and documentation. Keep the list of required supplies from your child's school AND your receipts for the purchases.
- * The State of Minnesota reviews approximately 10% of returns reporting a deduction and **100%** of returns reporting a tax credit.
- * When your return is selected for review, and you are unable to provide the necessary documentation, your expenses will be disallowed.
